Dear Robert

Thank you very much for taking part in the "Reportage" on matchmaking. Your interview with Peter was excellent - and it was fascinating that you choose Clare - who was quite clearly the best match. When they went on a date Clare said she would like to meet Peter again - so maybe there's a "Reportage" wedding in the making!

I hope you managed to see the programme - and enjoyed your contribution. Certainly everyone here was very pleased with the item.

Once again many thanks.

Best wishes
